WORLD MISSION SUNDAY 2018

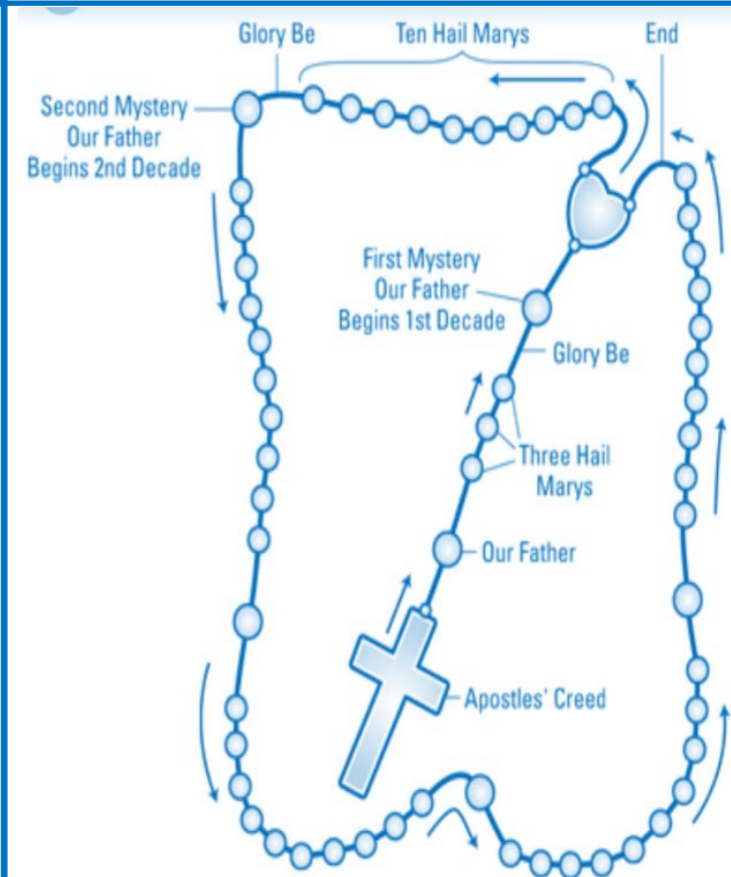

14TH — 21ST OCTOBER, 2018

Theme:

"TOGETHER WITH YOUNG PEOPLE LET US BRING THE GOSPEL TO ALL"

"EVERY MAN AND WOMAN IS A MISSIN: THAT IS THE REASON FOR OUR LIFE ON THIS EARTH".

Pope Francis

**REFLECTION:
SEEK FOR CHRIST**

Dearly beloved in Christ, all that the world offers us is a gift and there is nothing in this world that we can rightly call Our Own. However, in having Christ who is the embodiment of the wisdom of God, we become rich in Him and we have all other things. What we gain in having Christ is that *we possess the very Word of God that was alive and active at creation in our hearts.*

It is better for us as Christians to possess the Creator than the created things. For the Creator is the source of the created things, and He possess more than what is in the creature. A deeper and more personal relationship with Him will go a long way to make our lives better as Christians and faith people. The riches, fame, etc that the world gives us cannot be compared with the wisdom we gain when we have a relationship with the Word of God-Jesus.

We cannot in anyway whatsoever compare the wealth that we have acquired with the wisdom of God. Wisdom is incomparable with the riches of this world, it is through wisdom that we become who we are as Christians. The Wisdom of God is that which was used in creating the world and everything in it, it is something which is alive and active. The Wisdom of God which is the Word of God, seeks to keep us in Union with God.

Dearly beloved in Christ, what we should always ask ourselves in this journey of faith is that *"What do we stand to gain, if we have all the riches that the world offers us and have no relationship with God?"*. Let us as faith people seek first a relationship with God and allow Him to nourish us with His blessings.

In abandoning ourselves to God and leaving behind us the riches of this world, we come to realize that our sacrifices in ministry does not go unrewarded. The choice to stay with God is an open one that leads us to eternal life, for many would look at us and see the impossibilities. But, God will make it possible for us to inherit the rewards of all that we do.

Let us seek for a relationship with Christ, for in Him is Life. Life that is unending.

May God give us strength always.
